

Operative C.Morgan.

New Brunswick, N.J.  
Oct. 5th, 1926

Re  
Pearl Bahner

Received instructions from Mr. Thompson and proceeded to the home of Chas. Brayton, 109 Somerset St, but no one was at home.

Then proceeded to the home of Lawrence Cake, 201 Easton Ave. and did not find any one at home at this place either.

Returned to Mr. Watson's office and reported same. In the afternoon again attempted to gain admittance to the above addresses, but could not.

Operative was then given the name of Miss Bernier to look up and proceeded to the home of Mrs. Bartow, at 39 Albany St., but she was not there.

In the evening operative again called at Mrs. Bartow's home and interviewed her. She stated that when she lived on Nelson St. Miss Pearl Bernier had lived with her, which was right after the Hall murder. A State Trooper called at her house and took Miss Bernier to Somerville and returned with her a short while after. Later Pearl received a letter from Raymond Snyder's wife telling Pearl to stay away from Raymond. Mrs. Bartow stated that she put Pearl out of her house and that she did not leave any letters or papers after her. Mrs. Bartow further stated that Pearl's step-mother who lived next door to her had Pearl arrested and sent away. Operative asked Mrs. Bartow if she knew where Pearl's aunt lives and she stated that she did not believe that Pearl has an aunt, but I could ascertain that if I would call on Pearl's married sister May, who lives in Rahway, her married name being Manucuso.

Mrs. Bartow further stated that after Raymond Snyder was released from jail he returned to his wife and that they are living together in town, but she does not know their address.

Later in the evening operative met Mr. Thompson and reported to him.

Respectfully submitted;

C.M.
